

Procurement – The Basics of Procurement Webinar

September 27, 2021
10:00 AM – 11:30 AM MST
Presented by Tim Duhamel

Learn best practices for municipal procurement, procurement policy and the role it plays in fraud prevention.

- ✓ **Best practices for municipal procurement.**
Procurement best practices are critical knowledge for all CAO's, municipal executives, and finance officers. Learn the six key procurement best practices for municipal government.
- ✓ **Learn about procurement policy and the role it plays in risk prevention.**
Policy supports good decision making. Having a high-quality procurement policy is critical in protecting the public purse. Learn how to develop an effective procurement policy for your municipality.
- ✓ **7 Stages of Procurement.**
Learn the seven stages of the procurement process, and how to evolve and develop effective procurement processes.
- ✓ **How good procurement practices protect the municipality from financial loss.**
Municipalities purchase billions of dollars of goods and services annually. Significant risk of financial loss is present without effective procurement processes.
- ✓ **Procurement Methodology.**
Numerous procurement methodologies exist. Learn about open tendering, restricted tendering, request for proposals, two stage tendering, request for quotations, and single source tenders.
- ✓ **Core Principles of Public Procurement.**
Learn key principles related to public procurement, such as non-discrimination, free movement of goods, freedom to provide services, and freedom of establishment.
